This form can be used to request a full or partial transfer of your Resolution Life super benefits to an external fund.

Before completing this form

- Read the important information in this **information sheet**.
- Check that the fund you're transferring **TO** can accept this transfer.

Important: You'll need to provide **certified** proof of identity and certified copy of your SMSF bank statement if you're transferring your benefit to a Self Managed Super Fund (SMSF).

When completing this form

- Print clearly in BLOCK LETTERS.
- Refer to this **information sheet** and/or read the important notes where you see this symbol: 

After completing this form

- Sign the authorisation.
- If you're transferring your benefit to an SMSF, attach the appropriately **certified** proof of identity documents.
- Review the checklist on this page.
- Send the request to the address shown on the form.

Important information

This transfer may close your account (you'll need to check this with your **FROM** fund).

This form can't be used to:

- transfer benefits if you don't know where your super is
- transfer benefits from multiple funds on this one form — a separate form must be completed for each request to transfer super benefits
- change the fund to which your employer pays contributions on your behalf (not applicable for retirement income stream accounts)
- open a super account

- transfer benefits under certain conditions or circumstances (eg if there is a superannuation agreement under the *Family Law Act 1975* in place).

Please ensure that you provide the following details so your transfer request is not delayed:

- the name and Australian Business Number (ABN) of the super fund you've selected. Super fund ABNs can be found at superfundlookup.gov.au.
- the membership or account number of the product you're transferring into, and
- the Unique Superannuation Identifier (USI) of the super fund you've selected.

Checklist

- Have you read the important information?
- Have you considered where your future employer contributions will be paid?
- Have you checked if the external fund can accept the transfer?
- Have you completed all of the mandatory fields on the form?
- Have you signed and dated the form?
- Have you attached the **certified** documentation—including any linking documents, if applicable?
- Have you entered the ABN and USI of the **TO** fund on the enclosed form?

Note: This information is required—otherwise, we won't be able to process your request.

- If applicable, have you completed the personal contribution tax deduction section in the **request to transfer super benefits to an external fund** form enclosed to advise us of your intention to claim a tax deduction on any personal contributions?
- If you are rolling over your super to a SMSF, have you provided certified proof of identity documents and a certified copy of your SMSF bank statement in the name of the SMSF?

What happens to my future employer contributions?

(Not applicable for retirement income stream accounts)

Using this form to transfer your benefits will not change the fund to which your employer pays your contributions and may close the account you're transferring your benefits **FROM**.

If you wish to change the fund into which your contributions are being paid, you'll need to speak to your employer about Choice of fund.

You can also read **super decisions** — a document prepared by ASIC (the financial regulator). The document is available at moneysmart.gov.au.

Things you need to consider when transferring your super

When you transfer your super, your entitlements under that fund may cease. You need to consider all relevant information before you make a decision to transfer your super.

If you ask for information, your super provider must give it to you. Some of the points you may consider are:

- **Fees** – Your **FROM** fund (Resolution Life) must give you information about any exit or withdrawal fees. If you're not aware of the fees that may apply, you should contact us for further information before completing this form. Your **TO** fund may also charge entry or deposit fees on transfer. Differences in the fees funds charge can have a significant effect on what you'll have to retire on (eg a 1% increase in fees may significantly reduce your final benefit).
- **Death and disability benefits** – Your **FROM** fund (Resolution Life) fund may insure you against death, illness or accident (not applicable for retirement income stream accounts) which leaves you unable to return to work. If you choose to leave your current fund, you may lose any insurance entitlements you have. Other funds may not offer insurance or may require you to pass a medical examination before they cover you. When considering a new fund, you may wish to check the costs of any cover offered.

What happens if I don't quote my Tax File Number (TFN)?

You're not obligated to provide your TFN to your super fund. However, if you don't provide your TFN, your account may be taxed at the highest marginal tax rate plus the Medicare Levy (instead of the concessional tax rate of 15%) on contributions made to your account in the year. Your fund may deduct this additional tax from your account.

Important: You'll need to provide **certified** proof of identity if you're transferring your benefit to an SMSF.

If your super fund doesn't have your TFN, you won't be able to make personal contributions to your super account. Choosing to quote your TFN will also make it easier to keep track of your super in the future.

Under the *Superannuation Industry (Supervision) Act 1993*, your super fund is authorised to collect your TFN, which will only be used for lawful purposes. These purposes may change in the future as a result of legislative change. The TFN may be disclosed to another super provider when your benefits are being transferred, unless you request in writing that your TFN is not disclosed to any other Trustee.

Personal contribution tax deduction (Not applicable for retirement income stream accounts)

If you wish to claim a tax deduction for personal contributions made in the current or previous financial year, you can provide the information in the personal contributions tax deduction section.

If you've made personal contributions, you should check whether you're eligible to claim a tax deduction. If you don't claim a tax deduction at the time of making a withdrawal, we may not be able to accept a future request.

For example:

We cannot accept a request where your contributions have been used to start a pension or if you have insufficient personal contributions remaining in your plan to cover the amount you're claiming.

Note: If you don't check you're eligible to claim a tax deduction, or you don't have enough assessable income, the Australian Taxation Office (ATO) could deny your deduction and this may mean you exceed your contribution limit(s). Where this is the case, if you've withdrawn any of your benefit or started a pension, you may not be able to reduce the amount you told us you were claiming. This may mean you have to pay additional tax.

Transferring to a self managed super fund (SMSF)

If you're transferring your super benefits to an SMSF, we undertake checks in accordance with our duties as trustee of your super savings.

Your identification documents may be verified by the fund through an electronic service provided by the Australian Government.

If the details currently held on the ATO SMSF verification system don't match with the information provided on the enclosed **request to transfer super benefits to an external fund** form, your request may not be able to be completed until the records match.
