

Identification Form for Australian Regulated Trusts and Trustees (including self-managed super funds)

Information sheet

Identification and verification

All clients applying for a new policy must complete the identification procedures for the purposes of Anti-Money Laundering and Counter-Terrorism Financing laws. In addition, in order to comply with the obligations of the Foreign Account Tax Compliance Act (FATCA) and Common Reporting Standard (CRS) we are required to collect further information.

To do this, you need to complete the attached form.

What do I need to complete?

The sections you complete of the attached form depend on what type of trust you are. The table over the page provides you with a guide on which mandatory sections you need to complete as identified by a solid dot (•). For the other sections a brief explanation is provided and will depend on individual circumstances.

You will need to identify what type of trust you are – are you:

- a regulated trust eg a Self Managed Superannuation Fund (SMSF) or a trust that is regulated by the Australian Securities and Investments Commission (ASIC), the Australian Taxation Office (ATO) or the Australian Prudential Regulation Authority (APRA)?
- a registered managed investment scheme (ie managed investment scheme that is registered by ASIC)?
- an Australian Government superannuation fund (ie a government superannuation fund established under Commonwealth or State/Territory legislation)?, or
- an other regulated trust?

Will documents in a language other than English be accepted?

Documents that are written in a language that is not English must be accompanied by an English translation prepared by an accredited translator. An accredited translator is any person who is currently accredited by the National Accreditation Authority for Translators and Interpreters Ltd (NAATI) at the level of Professional Translator or above.
