

Identification Form for Individuals

Information sheet

Identification and verification

All clients applying for a new policy must complete the identification procedures for the purposes of Anti-Money Laundering and Counter-Terrorism Financing laws. In addition, in order to comply with the obligations of the Foreign Account Tax Compliance Act (FATCA) and Common Reporting Standard (CRS) we are required to collect further information. To do this, you need to complete the attached form.

What do I need to complete?

The table over the page provides you with a guide on which mandatory sections you need to complete as identified by a solid dot (•) and also provides a brief explanation of each of the sections, which need to be completed depending on individual circumstances.

What other identification can I provide?

If you are an individual and do not own a primary identification document, you must provide two forms of acceptable certified secondary identification. For example, you can provide an Australian Birth certificate and a document issued by the Australian Taxation Office in the last twelve months or a utilities notice (eg electricity or water bill) containing your full name and residential address.

Alternatively, you may wish to provide your foreign driver's licence that contains your photo and your date of birth, or a national ID card issued by a foreign government containing your photo and your signature.

Will documents in a language other than English be accepted?

Documents that are written in a language that is not English must be accompanied by an English translation prepared by an accredited translator. An accredited translator is any person who is currently accredited by the National Accreditation Authority for Translators and Interpreters Ltd (NAATI) at the level of Professional Translator or above.

SECTION 2: TAX INFORMATION

Tax Residency rules differ by country. Whether an individual is tax resident of a particular country is often (but not always) based on the amount of time a person spends in a country, the location of a person's residence or place of work. For the US, tax residency can be as a result of citizenship or residency.

Please answer **both** tax residency questions:

Is the individual a tax resident of Australia? Yes No

Is the individual a tax resident of another Country? Yes No

If the individual is a tax resident of a country other than Australia, please provide their tax identification number (TIN) or equivalent below. If they are a tax resident of more than one other country, please list all relevant countries below.

A TIN is the number assigned by each country for the purposes of administering tax laws. This is the equivalent of a Tax File Number in Australia or a Social Security Number in the US. If a TIN is not provided, please list one of the three reasons specified (A, B or C) for not providing a TIN.

1.	Country <input style="width: 95%;" type="text"/>	TIN	<input style="width: 95%;" type="text"/>	If no TIN, list reason A, B or C	<input style="width: 95%;" type="text"/>
