Information sheet

Important information for applicants

Before you start

Before you complete this application form, you should have been provided with the product disclosure statement (PDS) for the product(s) you are applying for.

The PDS contains important information to help you understand the product and to decide whether it is appropriate to your needs.

Risks associated with replacing existing insurance

! Submitting an insurance application doesn't guarantee your insurance with us will be accepted, so please don't cancel your existing insurance until you've received confirmation from us that your replacement cover has been issued.

There are risks associated with replacing your existing insurance which include those listed on this page. Before deciding to replace your existing cover, you should speak with your financial adviser (if applicable) and consider how these risks may impact your personal circumstances, financial situation, and needs.

Replacement cover may not be available to you, or available on the same terms

When conducting the underwriting process, we will evaluate whether, and on what terms, we provide insurance to you. It's possible that, we decide not to provide you with replacement cover or the terms of cover we offer may not be the same, or more favourable than the terms of your existing insurance. For example, replacement cover may be more expensive, have more exclusions or define key terms or features differently to your existing insurance.

You may not be able to regain your existing insurance once cancelled

Once you've cancelled your existing insurance you may not be able to regain that insurance again. This may be because that kind of cover is no longer available to new customers, or because the insurer decides not to offer it because of a change in the insured person's health or personal circumstances.

You may not be able to claim under your existing insurance once you have replaced it

Once you've replaced your existing insurance, you may not be eligible to make a claim under that previously held cover. Therefore, you should consider whether you need to take any action in respect of any claim (expected, current, or otherwise) before replacing your existing insurance.

Please retain this information sheet for your records.
Do not return it with your completed form(s).

Superannuation nomination of beneficiaries

To be completed if you are applying for a Life Insurance Superannuation Plan and want to nominate who your death benefit is paid to. ☐
Do not complete if you are applying for the Life Insurance SMSF Plan as any claim will be paid to the Trustee of the SMSF.

Nomination of dependants for the Life Insurance Superannuation Plan

You may nominate up to five beneficiaries and the portion of the death benefit each is to receive. Please use whole numbers and ensure the total of the percentages is 100%. Do not include yourself as the member/insured person as one of the nominated beneficiaries, as it will make the nomination invalid.

There are two types of nominations available: **non-binding** and **binding (non-lapsing)**. Regardless of which type of nomination you make, a nominated beneficiary must be your dependant or your legal personal representative (your estate). Please refer to the 'Nominating superannuation death benefit beneficiaries' section of the PDS for more information.

Type of nomination

If you are nominating beneficiaries please specify the type of nomination you are making. Please tick one box only.

☐ **Non-binding**

The nomination is not binding on the Trustee. The Trustee will pay your benefit to your dependant(s) or legal personal representative in the proportions they determine. Non-binding nominations don't need to be witnessed.

☐ **Binding (non-lapsing)**

A binding (non-lapsing) nomination means the Trustee is obliged to pay your benefit to the people you nominate in the proportions you specify, provided the nomination is valid and effective at the date of your death. Binding (non-lapsing) nominations must be witnessed by two people who are not nominated beneficiaries.

**Declaration and consent of the insured person and policy owner(s)**

By completing this application for insurance, I acknowledge and agree with the following statements:

- **Product Disclosure Statement (PDS):** I have received and read the PDS and plan document for the product I am applying for (if applicable) and agree to abide by the terms of the policy.
- **Duty to Take Reasonable Care Not To Make a Misrepresentation:** I have read and understood the 'My Duty to Take Reasonable Care Not To Make a Misrepresentation' section in the PDS and understand that this duty continues until the policy is issued.
- **Your Privacy:** I have read and consent to the collection, use and disclosure of my personal information as set out in the 'Your Privacy' section of the PDS.
- **Replacement of existing insurance:** Where I have indicated that the insurance I am applying for is to replace existing insurance, I will cancel the existing insurance only when my application is accepted by Resolution Life.
If the existing insurance is held with Resolution Life, I authorise you to cancel that insurance effective the date that the new insurance commences.
If I'm converting or replacing existing insurance with Resolution Life, I understand that any loadings and/or exclusions that applied to the existing insurance (outside the standard terms and conditions of the policy) will apply to the new insurance. If the exclusion wording for the new insurance has been updated and is different to the exclusion wording in my existing insurance, in the event of a claim, I will be assessed under the exclusion wording that benefits me most.
I have read and understood the 'Risks associated with replacing existing insurance' section in the attached Information sheet.
- **Direct debit:** I have read the 'Direct Debit Request Service Agreement' in the PDS and authorise Resolution Life to debit my nominated account as set out in this application (if applicable).

The below only applies if you are applying for a Life Insurance Superannuation Plan, TPD Insurance Superannuation Plan or Income Insurance Essentials Superannuation Plan.

- I apply to become a member of the NMRF and agree to be bound by the terms of the trust deed, (as amended from time to time) and superannuation law; and confirm that I am eligible to contribute to super or have contributions made on my behalf.
- I have read and understood the 'Holding your plan in super – plan membership', 'Holding your plan in super – taxation information', and 'Nominating superannuation death benefit beneficiaries' sections of the PDS.
- I have elected for the Trustee to take out and maintain my insurance cover. I understand that (as outlined in the 'Applying for cover' section of the PDS) under superannuation law, there are restrictions on the provision of insurance cover to a person:
 - who is under age 25
 - who has an account balance of less than \$6,000, or
 - whose account has been inactive for a continuous period of 16 months or more.

Note: If you apply for insurance inside super, and to ensure we can provide you with cover in accordance with the legislative restrictions referenced above, by signing this application you have elected for cover to be provided to you even if you meet one of the criteria set out above.
