1. These options are no longer available to new investors.

Notes for investment performance:

Returns can go up and down. Past performance is not necessarily indicative of future performance.

Performance figures (returns) are based on the unit prices as at the date quoted, which are calculated net of investment management fees and taxes (but exclude all other fees). Returns are assumed to be reinvested. Returns are only provided where the investment option was offered through this product for the whole of the specified period.

This information has been prepared for general information only, not having regard to any person's objectives, financial situation or needs. Because of this, you should consider the appropriateness of the information having regard to your own objectives, financial situation and needs. Before making a decision to act upon any of this information, professional advice specific to your individual circumstances is recommended.
