Important information about beneficiary nominations

The Trustee has absolute discretion when distributing death benefits but will take your nomination into account. You may nominate anyone who is a 'dependant' as defined in the Trust Deed and/or your estate (i.e. your Legal Personal Representative).

If the person whose name is specified below differs from a previous appointment made by you, the previous appointment(s) will be automatically revoked.

Who is a dependant?

Under the Fund Trust Deed, a dependant includes:

- a spouse, including a person (whether of the same or a different sex) with whom you are living on a genuine domestic basis
 in a relationship as a couple and a person with whom you are in a relationship registered under State or Territory law
- a child of any age (including an adopted child, step child or an ex-nuptial child, a child of your spouse and your child within the meaning of the Family Law Act 1975)
- a person with whom you have an interdependency relationship
- a person financially dependent on you.

Under superannuation law, an 'interdependency relationship' will exist where two people (whether or not related by family) meet all of the following conditions:

- they have a close personal relationship
- they live together
- one or each of them provides the other with financial support, and
- one or each of them provides the other with domestic support and personal care.

There may also be an interdependency relationship where two people have a close personal relationship and either or both of them suffer from a physical, intellectual or psychiatric disability. In this circumstance, there is no requirement for cohabitation or for provision of financial or domestic support.

Indicate how you would like your benefit to be paid Lump sum nomination Date of birth **Full name** Relationship to you Share of benefit (dd/mm/yyyy) % % 1 1 1 % 1 / % % My estate (i.e. Legal Personal Representative) Total amount 100% Pension nomination (a pension cannot be paid to your Legal Personal Representative) Relationship to you (spouse, Date of birth child, interdependant, **Full name** financial dependant) (dd/mm/yyyy) Share of benefit 100%

Although children generally qualify as dependants, a child aged 18 or over can only receive a pension if the child is financially dependent on you at your death and under age 25, or suffers from certain disabilities. Where a child aged 18 or over receives a pension, unless the child suffers from a relevant disability, the pension must be cashed as a lump sum when the child turns 25.

•

Please note: Upon notification of your death, we will move your whole account balance to the Savings investment option. Your benefit will remain in this investment option until such time as the Trustee makes a decision as to who will receive your benefits.
