**2. Switching investment options and/or changing your future investment strategy**

Switching investment options. Please cross  the appropriate box.

**I wish to switch my investment options.**

Please complete both columns over the page headed 'switch from' and 'switch to'. To fully switch out of an investment option(s), please place 100% or 'ALL' next to each investment option in the 'switch from' column. If you nominate a percentage amount of less than 100%, we will only withdraw that percentage of the investment option, e.g. if you have \$20,000 in the investment option and specify 50%, we will withdraw \$10,000 from that investment option. The total proceeds from your specified 'switch from' investment option(s) will be used to buy the amounts indicated in the 'switch to' column. Your 'switch to' column must add up to 100% if using percentages, or the exact amount specified in A if using dollar amounts.

**I wish to change where my future contributions are invested.**

Please complete the right hand column over the page headed 'Future contributions'.
