

# Third party authority

**Important information**

**Please note:** The following authority only allows for the provision of such things as account information, balances, component/investment break-ups etc. (either over the phone or in writing). It does not extend to the ability for the third party to make changes on the account such as a change of address or change of beneficiary, to transact on the account, or to be provided with nominated account details (if applicable). If you wish for the third party to have greater powers, you should formally set up a 'Power of Attorney' in conjunction with this authority (for over the phone enquiries).
