

You have a new Overdue notices report within My Resolution Life

Hi Test

You're a valued partner of Resolution Life, and we're committed to supporting you and your clients with products and services that meet your and their needs.

We've prepared this report to help you manage your insurance portfolio with Resolution Life, and to assist you in identifying opportunities to service your clients who are at risk of lapsing or who have lapsed.

This report includes policies linked to your Adviser ID (NNNN -N) that received correspondence from us, within the past week, informing them of their: missed payment, lapse warning or lapsed policy.
